- + All students MUST be pre-registered with all paperwork completed and payment made at least 1 full day in advance. **No** child may enter a class the same day of their registration!
- + **NO** child may participate without proof of primary health/accident insurance coverage. **A current waiver must be signed each year in the FALL.** Tri-Star Gymnastics assumes that any parent/guardian whose child participates in sports activities has taken steps to assure there is medical or accident insurance to cover potential injury to the child.
- + Students **WILL NOT BE PERMITTED TO CLASS if they are more than 5 MINUTES LATE, or if they are not properly dressed for safe participation.**
- + After their first class, all students must be able to enter class without a parent or guardian accompanying them.
- + Refunds will be given **ONLY IF THE CLASS IS NOT FILLED.** If we are able to replace your child with another enrollee at any time during the session, we will refund the amount of tuition that is not lost to Tri-Star.
- + **MAKE-UPS** will be scheduled only during the current session if an appropriate class level is available. You **MUST** speak to office personnel to schedule a make-up at least 24 hours in advance. Do not assume we received your message without a call back for confirmation. No more than 3 make-ups will be allowed per session. There is **NO** fee credit for missed classes during the school year except for a class cancelled by Tri-Star.
- + There is a **\$15** service charge for each returned check. The check amount as well as service charge must be paid in cash.
- + Parents may **NOT** speak to their child's coaches during the regularly scheduled classes. Wait until the end of class to ask questions, or telephone the gym & leave a message and the coach will phone you back.
- + Parents may observe their children from the bleacher area but are not allowed to coach their children from the sidelines during class; nor are they or a guest allowed on any equipment. When using the washrooms you must use the designated walk-way; do not walk under the bars.
- + When children are dismissed from class, they must remain inside the building until they are picked up. Children may not run up and down the sidewalks before or after class. Siblings are not to be left on the premises unattended, nor are they allowed to use **ANY** equipment (i.e. gym apparatus) or telephone without permission and adult supervision.
- + *Occasionally* children are picked up late due to unforeseen circumstances; if your child is regularly picked up late, or early more than 15 min. prior to class starting, you will be billed for services after a 10 min. grace period (**\$1 per min**).
- + You will be contacted if a coach recommends that your child be moved to a more appropriate class level. Children will be dropped from a class if their behavior interferes with safety or is chronically disruptive.
- + As much as we try, we are unable to guarantee safety of all our students' personal possessions. We will not be held responsible for lost or stolen items from your child's cubbie. Please do not send your children to class with money, valuable jewelry or any other treasured item.
- + **TSG is a smoke free and alcohol free environment.** Please **do not allow children to eat at the bleachers or walking to and from the washrooms** carrying their goodies. Feel free to use the table and chairs we provide for this use.
- + Photographs are taken of classes & participants and will be used in our Yearbook. Permission will be sought to include your child's picture on our web-site.
